Interested in Church Music?

The Church is the sponsor, if not the mother of modern music. As such it should enjoy the very best music obtainable. Why be satisfied with an old fashioned piano or chapel organ when a few dollars down and the balance weekly, monthly or quarterly will put a splendid new Piano or Player-Piano in your Auditorium, Chapel or Church Parlors.

Write us your needs. We will explain how we can help you.

B.—CONFERENCE RULES OF ORDER.

Adopted in 1869, modified in 1875, and adopted at each session since.

- 1. The Conference shall meet at 8:30 o'clock a.m., and adjourn at 12 m., but may alter the time of meeting and adjourn at its discretion.
- 2. The President shall take the chair precisely at the time to which the Conference stood adjourned. The first half hour of the session shall be devoted to religious services, and thereafter the journals of the preceding day shall be read and approved.
- 3. The President shall decide all questions of order, subject to an appeal to the Conference; but, in case of an appeal, the question shall be taken without debate.
- 4. He shall appoint all Committees, not otherwise specially ordered by the Conference, but any member may decline serving on more than one Committee at the same time.
- 5. All motions and resolutions introduced by any member shall be reduced to writing, if the President, Secretary, or any member of the Conference requests it.
- 6. When a motion, resolution, or report presented is read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference, but any motion or resolution may be withdrawn by the mover at any time before action or amendment.
- 7. No new motion or resolution shall be made before the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following should intervene, which motions shall have precedence in the order in which they are placed, viz: Indefinite postponement, lying on the table, reference to a Committee, postponement to any give time, or amendment.
- 8. No member shall be interrupted when speaking, except by the President, to call him to order when he departs from the question, uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems the speaker out of order, or any other member may explain when he thinks himself misrepresented.
- 9. When any member is about to speak in debate, or deliver any matter to the conference, he shall rise from his seat and respectfully address himself to the President.
- 10. No person shall speak more than twice on the same subject or more than fifteen minutes at one time, without leave of the Conference;

nor shall any person speak more than once until every member choosing to speak shall have spoken.

- 11. When any motion or resolution shall have passed, it shall be in order for any member who voted with the prevailing side to move a reconsideration.
- 12. No member shall absent himself from the services of Conference without leave, unless he is sick or unable to attend.
- 13. No member shall be allowed to vote on any question who is not within the bar of the Conference at the time such question is put by the President, except by leave of Conference, when such member has been necessarily absent.
- 14. Every member who shall be within the bar at the time the question is put shall give his vote, unless the Conference, for special reasons, excuses him.
 - 15. No motion shall be considered unless seconded.
- 16. The Secretary shall keep a journal of the proceedings of the Conference, and, when approved, shall record them in a book provided for that purpose. He shall take charge of the journal and other papers of the Conference, and preserve them with care; suffer no person to take a copy of any paper during the interval of Conference, except with the consent of the Conference; and shall forward the journal and papers to the next Annual Conference.
- 17. A motion to adjourn shall be in order at any time, and shall be decided without debate.
- 18. No preacher shall bring any charge against any member of this Conference until he has first given him information of the same, either by letter or otherwise, ten days in advance, if practicable so the accused may have an opportunity for defense.
- 19. When any brother intends to object to the passage of another's character, it shall be his duty to hand the name of the person against whom objections are to be made to the President of the Conference.
- 20. Two-thirds of the members present, and voting, may order the previous question on a pending motion.

[A motion to table an amendment to a resolution does not carry the resolution to the table.]

Summer School of Theology. On motion the following resolution in the interest of the Summer School of Theology was adopted.

Encouraged by the greatly increased attendance and enlarged usefulness and popularity of the Undergraduate-School of Theology for the Michigan and Detroit Conferences, and by the most auspicious beginning of our Graduate School, and deeply appreciative of the financial and other assistance rendered by our Bishop and the Conferences and by the General Conference Commission, and with strong conviction of the yet larger place of influence and power possible in the further development of our Schools, we present to our respective Annual Conferences the following joint recommendation of the Faculty, the Student Body, the Summer School Senate and the Board of Examiners.

1st. That it be the action of these Conferences, in view of the value of the Summer School of Theology to the students, and the moral obligation of attendance created through financial support by our Conferences and by the General Conference Commission, that every undergraduate student be required to be present, as provided in recent General Conference legislation, except when definitely excused by the joint concurrence of the Dean of the School and the Chairman of the Board of Examiners of the Conference to which the student belongs. Also that our members who have completed the Conference Course of Study be urged to pursue Graduate Study and to attend the Graduate School of Theology.

2nd. That the Conferences respectfully request and urge each District

Superintendent to give every attention possible to the students in the Undergraduate Course of Study on their respective Districts, ascertaining frequently whether such students are giving a reasonable amount of time to their studies, and positively and definitely endeavoring to secure a 100% attendance at the Summer School from their respective Districts. To make possible this closer cooperation between the Superintendents, Boards of Examiners, and Summer School, we recommend that Registrars of the Conference Board furnish each Superintendent early in the Conference year with a list of all men on their Districts who are in the Course of Study and the specific work each student of such District is taking. We also recommend as a measure looking toward larger accession to our Conferences that the Superintendents furnish the Registrar of their respective Boards of Examiners with a list of men on their Districts who ought to be candidates for admission to the Conference, so that these men can be encouraged by the Board in the early and intelligent pursuit of their studies and can also be gotten to the Summer School. We further recommend that the Superintendent be asked to give every possible encouragement to Graduate Study and to the attendance of their men upon the Graduate School.

3rd. We recommend that the personnel of the Conference Boards of Examiners be selected with a view to adaptation for and specialization in specific departments of study and with a further objective of having only such men on these Boards as will be best adapted to serve on the Undergraduate Summer School Faculty as a distinctive part of their work and will be willing to render such service if needed for the full period of the summer school session for at least two years of the quadrennium. We ask also for the selection of such men only as are in sympathy with and will give careful and painstaking attention to the correspondence features involved in the plan of the General Conference Commission for the conduct of the Course of Study.

4th. We recommend the immediate enrollment through a special standing committee selected by the Summer School Senate of as large a number of men as can be secured to take up the Graduate Course of Study. In furtherance of such Graduate Study we heartily recommend the new Graduate School held at Albion. We assure Dean Hough, Registrar Lacy, and the Summer School Senate of our hearty interest and support in their effort to build up a great Graduate School.

5th. We recommend that each Conference raise the sum of \$400.00 for the Undergraduate School for the ensuing year and a sum of \$100.00 for the Graduate School, neither Conference to be bound by a larger sum than is pledged by the other.

6th. That the Summer School Senate be authorized to modify these recommendations at their discretion where changes may be found necessary

to bring them into conformity with the developing plans of the General Conference Commission on Courses of Study.

PART VI.—REPORTS.

REPORT OF DISTRICT SUPERINTENDENTS TO THE DETROIT ANNUAL CONFERENCE, 1921.

Bishop Henderson, Fathers and Brethren:-

The Detroit Conference focuses its expectancy, its prayer and faith upon the sessions of these brief passing days. We are here to review and carefully seek to appraise the years work now ended and to regird ourselves for new endeavors and waiting responsibilities in the new year which already knocks loudly at the door. It is good to be here. Eagerly we have come up from our charges with our reports to give an account of our stewardship. We crave the divine blessing upon the sessions of this the sixty-sixth gathering of the Conference.

How wonderful is the territory which we represent. In a wide crescent-like sweep, nestling close to three great lakes, we stretch away over 700 miles northward and westward from this hospitable city where we are meeting. A line dropped from the extreme western point of our conference boundary would fall through St. Louis, Mo. And another through the eastern boundary through Dayton, Ohio. It has taken more than 24 hours of continuous travel to bring many of our brethren to this southerly city of our territory. Within these wide bounds are to be found almost every physical, social and industrial condition of life. The tawny, untamed frontier with virgin beauty and promise and the great throbbing, teeming urban center highly organized, tense and irresistible. And in between almost every gradation of rural, industrial and recreational life to challenge our study and to invite our ministry.

The following report is a composite. Each superintendent has written in briefest outline of his own district. I am to read these practically as they have been prepared and submitted by the several superintendents. We yield to the pastors and people the credit of the successes of the year, and pay grateful tribute to their faithful and unfailing efforts and devotion.

DETROIT DISTRICT.

After a year on this great district, we have made a few discoveries, and one of them is that the problems are almost infinitely more numerous and difficult and the kind of administration almost entirely different from that of any other district with which I have had to do. On the other hand there is a fascination about it which makes one's blood tingle and stimulates one to his best. The heartbreak of it all is that there are so many needs which cannot be met. There are great areas in which thousands of people have settled in the subdivisions all about the city to build in a humble way their homes to escape the almost prohibitive rentals, and they are asking for a gospel ministry and for Sunday Schools for their children. These needs are so demanding and our resources so limited that we are able only to touch the fringes of the problem. Again, there is the urgent missionary program before us in a city where three-quarters of the population are foreign-born or only one generation away from it. Here again our resources are so limited that we are required to "make bricks without straw." When you think of 700,000 foreigners congregated in a single city, with the appalling need one meets everywhere, with the absolute necessity of Americanization and Christianization if we are to preserve our own ideals and save our own civilization from collapse, and when you look at our

pitiful resources, it is surely like "five small loaves and two fishes" to five thousand. And when further you discover that in all this great city there are not more than five Methodist Churches where it can be said that the plants are completed, and that thirty-two churches on the district are either in process of building or are making plans to build in the not-distant future you will get a little glimpse of the thing which all of us, ministers and laymen as well, are facing constantly.

We have been working at the task incessantly. All charges have been supplied throughout the year. Death has not entered any minister's home in this district.

Six new churches have been organized. Italian, Polish, Finnish, and Polyglot missions have been founded. Goodwill Industries have been initiated. Thirty-seven mission workers have been employed. Vacation Bible Schools have been carried on. Three portable Churches have been built and are now in use. Two other temporary Churches have been erected and two more are now in process. There has been but one outstanding building enterprise on the district; namely Calvary Church, Redford. The educational unit and the parsonage of this Church has been completed at a cost of something like \$120,000.00. There were two marked revivals; one at East Grand Boulevard and one at West Grand Boulevard. Evangelistic efforts were put on in most of our Churches and while the results are not so great as last year, still they are gratifying. There will be reported good increase in membership.

The Epworth Leagues of the City have been especially active. The Sunday

Schools have gone forward.

Financially, the year has been one of struggle. Detroit, second only perhaps to Akron, Ohio, was the hardest hit of any major American City. This will show very seriously in our Benevolences. The Centenary will be short thousands of dollars. Our people are loyal and want to pay, but they are utterly unable to do so in many, many cases.

But with faith and hope and courage we shall press on to better days.

(Signed)

E. J. WARREN.

CHARACTERIZATION OF E. J. WARREN. By H. A. Leeson.

"The leader of one of the greatest Districts in Methodism. Keen and careful; the focal center of the intricate problems of our great, miracle city. Undaunted and unafraid, he toils tremendously. He is the latest "D. D." among us and wears his honors with modest grace."

FLINT DISTRICT.

The men of the District have been true to their tasks and they have given themselves in an unselfish way to their work. We have made some outstanding examples of sacrifical service for the Kingdom.

Some of the men have labored under serious handicap during a greater part of the year. Robert I. Chase of Ortonville, John W. Koyle of Corunna Avc., and George W. Wright of Williamston have been seriously afficted. Joseph and Mrs. Chapman of New Lothrop have been very recently and most sadly bereaved in the death of two winsome boys.

The Epworth Leagues of the District have made a fine showing, increasing in number and interest under the leadership of H. E. Duttweiler. The District reports 52 Mission Study Classes and 31 Twenty-Four-Hour-A-Day Leagues.

The W. F. M. and the W. H. M. Societies will show a year of unusual activity in service.

Milford has built and nearly paid for a fine new parsonage at a cost of \$10,000.00. Goodrich and Otisville are building fine new brick churches.

Grace Church, Flint, organized with 34 charter members is erecting a temporary church.

Chevrolet Park is a new society which has also secured a temporary home. Richfield Road, in the same city has remodeled and converted a building into a church. This work is under the direction of the Riverside Church.

Ground will be broken November 1st at Montrose for a \$25,000.00 church.

Davison, Shaftsburg and Lapeer have been making extensive repairs.

Gaines has redecorated its church

Our people feel the load of increased askings for benevolences during the past two years. The better they come to understand the principle of Christian Stewardship and the higher the spiritual tide rises, the less will be the difficulty in meeting the material needs of the Kingdom. As a whole the people were sincere in their subscriptions to what we have been calling the Centenary and they are willing to pay. Many of them are not able to do so now. I think however, the Flint District will make a very creditable showing.

Evangelism has been kept well in the forefront during the year. Nearly every pastor on the District has been engaged in revival meetings sometime during the year. The results have been gratifying. Four Camp Meetings have been held on the District this year. More than 100 persons were converted in these meetings. Reports will show a large number received on probation during the year.

"Frank and fearless; business-like and hard-working. He holds the helm with a strong, steady hand, but drives his Flivver like the driving of a Jehu."

PONTIAC DISTRICT.

Every man save two stayed at his post through the year. The District is bounded on the north by the Port Huron and the Flint Districts. On the West by the Michigan Conference. On the East by the shore line of the water way from Detroit to Toledo, and on the south by the Ohio line. It consists of fifty-three charges with an aggregate of 97 churches, 19 of which are Stations. Every charge except four has a parsonage.

Men of exceptional ability have manned these charges during the year. While not so many have been received on probation as last year, the methods of evangelism employed give promise of more permanent success.

The District leads the Conference in the percentage paid on Centenary Subscriptions. It was ahead of all the Districts in the number of Epworthians in attendance at the Albion Institute. One new church was dedicated during the year, namely, at Lulu, costing over \$10,000.00. \$20,000.00 was spent in improvements on and in the church at Ypsilanti. Over \$10,000.00 here at Adrian, and other improvements over the District totalling over \$50,000.00.

Seventy-five per cent of the Leagues are Twenty-Four-Hour-Day Leagues. A mission study in every Epworth League is the slogan of the hustling new District President. The Sunday Schools enrollment is near 14,000 with a fine increase of two thousand. The special visitations of our Bishop in District meetings and churches has greatly stimulated our work.

The preacher is not only the key to the situation he is the controller. He sets the pace. Tabulated reports do not and cannot give an adequate presentation of the

work accomplished the past year. From the reports of pastors at the last local church conference; the percentage of people taken into church membership; monies paid on subscription to our benevolences; the average attendance at preaching service; the special attention paid to the recreational and social life of the young people, exceeds any year of the twelve I have put in as District Superintendent.

There is a fine chance for some man to lead the Pontiac District on to perfection. The man appointed at this conference will find a fine company of preachers to work with; a splendid roster of official laymen and the church membership standing true in the main. As for the young people they are the joy and crown of rejoicing of every pastor and superintendent who will give himself to them.

A. B. LEONARD. .

CHARACTERIZATION OF A. B. LEONARD.

By H. A. Leeson.

"Senior member of the Cabinet, genial and brotherly; purveyor of the latest and best stories; in the rich ripe years of a gracious and happy ministry in the Detroit Conference, we pause to give him 'good hail' in the name of our great Brotherhood."

PORT HURON DISTRICT.

The Port Huron District has enjoyed a prosperous and, on the whole, a very happy year in its renewed existence; is proud of its broad territory, its wonderful Huron shore line, its rich fields of amazing agricultural soil, its progressive cities, its splendid churches, and sincerely hopes to be a strong factor in the success of the Detroit Conference for all time.

Fortunately we have been passed by by all serious illness and death during the year, and are thankful.

A change of pastorate became necessary in mid-year at Mills Memorial church in Port Huron, Dr. W. J. Balmer taking that work, giving it the impetus of his splendid spirit and bringing in promise of greatly increased usefulness.

A forward look has been in the eyes of the brethren in all of our churches, and a vision of glorious achievement has held them steady to great tasks.

Improvements to property have been made in many of our charges. Decker of the Shabbona and Decker charge built a new parsonage, while Deford bought one, and now these are among the best of the District. Most notable has been the work at Deckerville, where the church building has been transformed into one of the most beautiful and useful of rural structures. Clifford and Applegate almost exactly duplicate the Deckerville achievement, and are happy. Unionville, Kingston, Dryden, Utica, Mt. Clemens, Marine City, and Gratiot Park, Port Huron, have been engaged in extensive repairs, remodeling, and redecorations, with great credit to both pastors and people.

Difficulties have been experienced in our Centenary problems, but there is now a decided improvement, and without doubt we will continue to evidence an increasing zeal for our world-wide parish as the years go by. Indeed, our showing this year will be very creditable.

Two new charges will appear in our Conference appointments this year,—Minden City in Sanilac County, and Warren and Bethel in Macomb County. The first is brought about through our parish plan, while the second is to be largely credited to the inspiration of a zealous young man of Warren, who has proven himself to be a wonderful leader heading a movement which resulted in securing about \$1,600.00 for the support of a pastor next year, within four days. He is also credited with having brought the interests of a newly organized Epworth League to a condition

where on a recent Sunday evening 340 young people attended the meeting. This new charge begins its work with unusual promise of greatness.

All the salaries of next year have been established, indicating an increase over this year of over \$6,000.00, which evidences the willingness of our people to give something like adequate care of their pastors.

Evangelism has been the key-note of our entire work, and the results for the year are of an encouraging character.

Industrial conditions have not been quite as difficult, perhaps, as in some other sections of the country, and yet we have felt them enough to add considerable to the burdens of the work. However, our people face every condition with faith in an invincible Master, and have no thought but for a forward movement.

This record cannot be closed without a brief word of thankful appreciation for the careful, intimate, fraternal care of our great hearted Bishop Henderson for every interest of both men and membership. His visitation of thirty charges during a trip of six days, last June, heartened the whole district, and helped wonderfully in the success of the year.

W. H. MACCLENTHEN.

CHARACTERIZATION OF W. H. MACCLENTHEN. By H. A. Leeson.

'Radiant, ample, and energetic; with the keen eye of a pilot for the port as well as the starboard lights of every craft on his big district. Newest man on the job, but far from being untrained or new to district diplomacy."

SAGINAW BAY DISTRICT.

Personal items—We have lost two good men by death during the year, Bert Hollidge and Elmer McMichael. All vacancies are filled at the present time. We expect to open some closed churches and provide them with pastors for next year. We have improved our property at Cheboygan, Caro, and Vassar. We are now building at Ames, Saginaw and Edwards on the Alger and Edwards Circuit.

On account of people moving away; many of our people being out of work; lack of interest in the Centenary itself; dissatisfaction with the management of the funds and other reasons the Centenary payments have slumped enormously.

Much less unrest among the ministers than formerly is to be noted. This may be due to the fact that jobs for everybody are not so easy to find. The success of the church and the advancement of the Kingdom still depends upon the leadership of the Minister. Too many men waste their time with small matters. The vacation habit has in some instances become a sin and a snare. Pastoral visitation seems to be beneath the dignity of some men. And yet the people are perishing for want of pastoral oversight. Some preachers kill their influence because they have never learned to be kind and gentle with their people. The unbrotherly policy of some men in holding on to their last job still obtains among us.

The churches on this District were never in such a state of optimism, and they have never been more willing to give themselves to the work of the church. In the face of unemployment, and the depression which comes to us as a result of it, one church has cut down the pastors salary or attempted to cut down the running expenses of the church. On the other hand some have advanced the minister's salary and assumed large financial responsibilities.

We have had some notable revivals. Where the minister has had the courage to attempt the work himself, he has met with success. We will no doubt show an increase of nearly 1000 members. The work of our District Evangelists has been noteworthy. We have been able to demonstrate that with the proper leadership the rural community will respond to the appeal of the gospel.

Sunday Schools are in fine condition. However, our schools could be doubled in membership and attendance if we had the people to assume responsibility. Nearly every School has kept up its Centenary subscriptions.

The 244Hour-A-Day Leagues are increasing. The general League work is doing

well.

The Bishop spent three days on the District during the year. He spoke in six places. He was gladly and graciously received. In every place which he visited, our church received a real and lasting benefit.

Some present problems & be dealt with are:—The dying mill town; The coming in of the foreign speaking people; The Selfishness of those who wax rich; The handicap of inadequate equipment and the need of some new churches.

We must cultivate the fields intensively. If we will do that for the next few years we will capture the whole country for God and the Church.

JOHN DYSTANT.

CHARACTERIZATION OF JOHN DYSTANT. By H. A. Leeson.

"Our Honest John! Missionary pioneer and pathfinder. Skilled in the arts of diplomacy and like a great stone face in his unyielding loyalty to the Kingdom's highest good. May his shadow not grow less nor his native powers diminish."

THE UPPER PENINSULA.

The Upper Peninsula District comprises practically one-third of the entire domain of the whole of Michigan. We have ten and a half million acres. Add together the total area of Massachusetts, Delaware, Connecticut and Rhode Island and the U. P. exceeds their combined size by three hundred fifty thousand acres. Its distances are vast, from east to west 350 miles, from north to south 175 miles. It has one appointment which is seventy miles from a railroad. The field is ample and the isolation of some of our ministers somewhat trying to their social ambitions. The best stabilizer of the spirits of the men stationed in some of the remote parishes which I have discovered is a Ford Super Four.

We have 96 regular preaching points with 47 pastors faithfully at their work.

Nine thousand full members; 12,500 enrolled in our Sunday Schools.

There is a net property valuation of \$800,000 with an almost neglible indebtedness against it. The most notable of debt raising campaigns was that at Ironwood First Church, where a long standing indebtedness of about \$10,000 was completely wiped out during the year. The gift of a \$7,500 parsonage which the church at Laurium had purchased, but for which they still owed, made by an elect lady, Mrs. C. E. Moyle, has lifted a grievous burden from the society.

Four fine pieces of property not now in use are held by our churches at Escanaba, Houghton, Manistique and Menominee. The value of these will total some \$15,000. They are being held in reserve for future development and enlargement of our work

in these places.

Our churches give \$9.00 per capita for Ministerial support as compared with \$7.00 which is the per capita giving of the whole conference for this purpose. In the matter of per capita giving for the total Disciplinary Benevolences, we fall a trifle below the giving of the entire conference; the conference rate being \$6.04 and the Upper Peninsula \$5.33.

We have had a number of modest but highly creditable improvements in church property over the District. We would make mention of Bessemer, Crystal Falls, Gladstone, Iron Mountain, both Central and First Church, Munising, Newport, Nor-

way, Brimley, Hancock, Iron River, Menominee, Palmer, Quinessec, Salisbury, Stephenson, and St. Ignace. Our people for the most part take great interest and pride in the appearance and up-keep of our property.

Early in the year Bishop Henderson dedicated three new buildings, a beautiful little country church at Ingalls replacing one destroyed by fire and at the Soo our completely remodeled and rebuilt Algonquin church and our Community Centenary Social Center on the East side.

Very extensive improvements including re-roofing and redecorating throughout, are just completed at the Soo Central Church and the auditorium of Grace Church, Houghton is in process of complete reconstruction at the present time.

The membership will not show a marked advance this year. Rather it has seemed that our efforts have been devoted to the more complete incorporation of the 25% advance made last year into the life and activities of the church.

We recall with gratification the two extensive visits of Bishop Henderson. On December 13-19, mid snow and ice, encountering the hardship of night travel, our dauntless Bishop made a great itinerary of the peninsula, holding seven important and inspiring group meetings, touching every pastor and charge on the district personally and imparting his dynamic spirit to us all. Then on July 20-25, under blazing suns and on long tiresome turnpikes, he came again, this time accompanied by his family, to give us five adventurous days of study of the peninsula not from a Pullman but from a Buick and to feel the pulse of the peninsula as well in summer heat as in winter's cold.

We feel on the whole that the year has been a creditable one. My total milage for the year is 21,000. This means that I have very nearly rounded the earth at the equator. I have journeyed as far as three round trips from Adrian to Liverpool and then I could have taken a side trip or two down into the native land of a number of my preachers, let us say down to Penzance, St. Ives, or Lands End in that country famous for the breeding of preachers, named Cornwall.

I have missed only one train in three years and not failed in a single appointment. I have put in long and interminable hours by night and by day waiting for trains in such thrilling places as Trout Lake, Nestoria, Saxon and Soo Junction. I have lost enough sleep to claim close kinship with Macbeth who had "murdered sleep." I have preached two and three times every Sunday.

I have practically lived all the time in the homes of my preachers and they have treated me invariably like a prince. I am pretty nearly as well acquainted with their homes and family life and their personal problems as I am with my own. I have learned how to sleep well in a new bed every night, to wake up in the morning and have for my waking thought "Well, where am I this morning." I have learned how to go for weeks and months at a time without a dollar of income and there-with to be content, enduring as seeing the invisible. And withal to believe in Methodism and her Ministers and her members and her adventurous aggressive program with increasing passion and devotion of heart.

"Genial, industrious, widely-travelled; keenly and humorously discriminating in his judgment of his brethren; felicitous to a marked degree in his appraisal of opportunities and his description both of things and men; and, best of all, warmly beloved by us all."

THREE HUMANITARIAN INSTITUTIONS.

Three great and beautiful Institutions carry on a wonderful humanitarian work all the year round in the name of our Methodism and the Detroit Annual Conference, viz: The Children's Home; The Old People's Home and the Bronson Methodist Hospital. And these three but who shall say which is the greatest.

In the course of a year approximately one hundred babies and little children are gathered within the shelter of our arms and with the gentleness and enlightened devotion of real motherhood we seek to minister to their needs, nursing them back to health when they are sick; finding good homes for them when needed, assisting the parents to meet the crises of circumstance which have befallen them. Will not the great Master who loved little children look with blessing and favor on our White Gifts at Christmas tide.

Standing at the other end of life pilgrimage are the aged—those who have come on the long journey and are nearing the setting sun. At the fine little city of Chelsea we have our Home for Aged Methodists where life's long shadows fall gently and the twilight greets the morning of eternal day. Some sixty aged saints look fondly to our Methodism to sustain a home for their fast numbering years.

Further west is another child of our love—new, nascent and wonderful Bronson Methodist Hospital at Kalamazoo. Detroit Conference may well congratulate itself in having received the invitation to share with our sister conference of the state a right and a place in this noble enterprise. Here for the first time in the history of Michigan Methodism we have engaged in the ministry of healing. Here we have ministered to 2242 patients in the brief space of 15 months. Here we have placed at the disposal of great, skilled physicians and surgeons facilities for the performance of 1583 surgical operations and the birth of 399 babies.

Michigan Methodism has in Kalamazoo a property value of \$146,000, an increase during the year of something like \$46,000. The hospital management has purchased a magnificient old home on a lot 66 x 264 feet in the most advantageous location which will provide the greatly needed additional home room for nurses and offer sufficiently enlarged real estate holdings to provide for the enlargement of the present hospital. We judge that it should be the aim and ambition of every church and pastor to co-operate to the very fullest extent in helping to perfect and carry forward this enterprise.

SUMMER INSTITUTE OF THEOLOGY.

As a splendid constructive program in our midst we wish to express high and unqualified approval of the Summer School of Theology at Albion which is taking on more and more the responsibility of training our candidates for the ministry and setting a standard of thorough and well guided preparation higher than we have ever had in our conference before. Reports of this year's school have been highly gratifying and the conference stands under great obligations to the leadership of the school.

THE YOUNG PEOPLES INSTITUTES.

As a means of combining the best elements of the great inspirational conventions of the past and the intensive and well organized study and training of a summer school our two great Young People's Institutes seem to leave nothing to be desired. The personal devotion and time given to these Institutes by Bishop Henderson has been of greatest value. He is the only Bishop in Methodism who has so far looked upon the Institute as worthy to command his time and strength as its Dean.

In conjunction with the Institutes and widening their sphere of influence has been the remarkable series of High School Boys and Girls Conferences over the state

under the immediate guidance of Mrs. Stair, known as Crusaders Conferences. Ten of these conferences were held in strategic centers through the state with a registration of 940 young people beside their leaders and teachers. This is basic work of which we highly approve.

THE CENTENARY AND MEMBERSHIP RECORD.

Will the record of the Centenary Gifts for the year be on a rising or a falling scale. Only the final reports of statistician and treasurer will tell the story. The hints of the several superintendents would seem to point toward a downward tendency and in fact this can scarcely be otherwise and will reflect no discredit upon the conference administration or the liberality of the churches. In the matter of the total giving per capita to all the Centenary and Disciplinary Benevolences during the past four years there was recorded a wonderful advance. In 1917 the per capita giving for total Disciplinary benevolences was \$1.81 while in 1920 it was \$6.04 which was an advance of 333%. The increase of membership for the same period was only 5.8%. If we can weather the desperate and far-reaching effects of the back wash of industrial and financial conditions this year without slumping too far we shall have registered a victory.

There is one point where there seems to be the utmost unanimity in regard to the Centenary moneys and that is that every church feels that it should share in their distribution and has some very special and urgent reason why it should press its claim and share in the benefits of this great mysterious and unlimited benefaction. The false and absolutely unfounded rumors which seem to be afloat that the Centenary funds are distributed on a free and easy basis of appeal should be nailed everywhere. Every Superintendent can testify to the careful scrutiny and conservative business methods by which money is granted for any project and assure the givers to this great missionary movement of the church that his gifts are administered with the care with which a bank invests its funds.

THE MINISTRY.

The several Superintendents' reports have hinted broadly at some things greatly to be desired in the personnel of our ministry. Our Superintendents are in a position to see clearly and see wholly in this particular. Every one has been for the past two months a kind of a storm center of currents and counter currents of appeal and protest. Out of this period there shapes in the mind and the hearts of your Superintendents the composite photograph of the minister for whom churches devoutly pray. How necessary that he should love the church of his choice and be loyal to its institutions, its history, its leaders.

The library table of our ministers has been invaded during the year by a publication purporting to represent the so-called higher life. This publication which has come gratis carries an unscrupulous, violent, libelous anti-Methodist propagranda. Unknown writers, professing the highest states of grace, brazenly attack the great leaders of our church whose shoe latchet they are unworthy to unlose. We believe it is taken seriously by a very limited number of our ministers. It would seem that at least a deep although silent protest might be registered in all our hearts against the inconsistency of seeking support and subscriptions for such a publication from the very organization, and the ministers it attacks in such an unwarranted manner.

We see a new need for the minister in a pure and passionate devotion to his ministry for its own sake—irrespective of emoluments or hardships or handicaps or preferment. Appointments and disappointments fade into obscurity in the mind of the "good minister of Jesus Christ" as he thinks of "the folks by the side of the road where the race of men go by," and he greatly rejoices to live by the side of

that self same road and minister in love and faith and friendliness. Against such there is no law of grade of promotion or demotion; but only the exhilarating satisfaction of doing ones best and trusting the outcome with God and the altogether human judgments of the Bishop and the District Superintendents. When the new charge is proposed to him, he will forget to inquire whether there is steam heat or hot air; a back stair way or stationary tubs; but only are there folks there who need the gospel and its eternal consolations and who will love to have Christ lifted up in their midst as Master and Friend.

Those brief and affluent days through which we have passed as in a rosy dream, had a subtle tendency to steal away the note of the heroic and the sacrificial from our ministry and create a deep seated hunger for the easy places and the abundant salaries. Again we must learn the lesson of enduring hardness as good soldiers of Jesus Christ, reminding ourselves of those higher and more enduring values which cannot be summed up on an adding machine and which alone can furnish the final and adequate rewards of a truly sacrificial ministry.

CONCLUSIONS.

"Now we beg you brethren to show respect for those who labor among you and are your leaders in Christian work and are your advisers—esteem them highly in love for their works' sake. And be at peace among yourselves. And we exhort you brethren admonish the unruly, comfort the timid, sustain the weak, and be patient toward all.

Be always joyful, in every circumstance of life be thankful, holding yourself aloof from every form of evil.

Brethren pray for us. Dystant sends greetings and so also does Warren and Leonard. Ye know MacClenthen and Dimond who labor among you in the Lord. They too send greetings.

Do not be over anxious about anything, but by prayer and earnest pleading together with thanksgiving let your requests be unreservedly made known in the presence of God. And then the peace of God which transcends all our powers of thought will be a garrison to guard your hearts and minds in union with Christ Jesus.

Amen.

REPORT OF THE COMMITTEE ON EDUCATION.

Michigan Methodism stands vitally related to two major enterprises in the educational life of the State—Albion College and the University of Michigan.

Albion College presents an opportunity to the conference of our Area, scarcely surpassed in Methodism. Under the leadership of the new President, Dr. John Laird, your committee feels assured that he will make this institution one of the most potent factors in its ministry to the young people of our state, and in training the right type of young people for the ministry and for Christian service, and every department of business life.

We recommend that the conference re-affirm its action of last year in its declara-

1st. That we join with the Michigan Conference in a campaign to raise for Albion College the sum of \$1,250,000, for endowment and equipment.

2nd. That such campaign shall be inaugurated when in the judgment of the Board of Trustees and the members of the Area council it shall be deemed wise. We are glad to learn that the college this year gives promise of having the largest enrollment in its history, the freshmen class forming one half of the whole student body.

The gift of \$50,000 presented by Mr. Charles D. Delmar of Baltimore, will fur-

nish the president with an adequate residence, and add about 25,000 to the endowment fund. We hope that our Michigan laymen will emulate this worthy example.

The following are nominated as members of the board of Trustees. The term to expire 1922, Wm. H. MacClenthen (to fill the vacancy caused by the sickness of F. F. Fitchett.) Term to expire 1924, Ames Maywood, J. Atkinson.

The appointment of Harvey Pierce as Secretary of the Alumni will give our Conference a strong representation and will doubtless strengthen the work of the institution.

of the institution.

Our second major educational interest is in the University of Michigan, in which we have something more than a thousand Methodist students. We heartly commend that our Board of Education continue to co-operate with the important work being done at the University in Ann Arbor.

We note with pleasure the reported increased attendance at our Theological Seminaries in Boston, and at Drew and Garrett.

We recommend that the Conference heartily endorse the proposed plan to create a Federal Educational Bureau as outlined in the Towner-Sterling Bill and instruct the Secretary of the Conference, to convey this action to our representatives in Congress and the Senate.

CHARLES M. MERILL. W. G. PROUT. JOHN S. TREDINNICK.

REPORT OF COMMITTEE ON EPWORTH LEAGUE.

Whereas our Michigan Methodism is the sole supporter and promoter of the Epworth League Education and activity in China through the office and person of our own Geraldine Townsend, be it therefore

Resolved, That as a Conference we are thoroughly committed to this task and pledge our loyal support to the Twenty-four Hour Day League plan of financing this worthy work for the youth of China. And that we as ministers provide that our Michigan youth be informed; and that money be regularly forwarded to the Central Office of the Epworth League in recognition of our sacred trust.

RESOLUTIONS.

We believe that the sixty-sixth session of the Detroit Annual Conference, when judged by the standard of Christian spirit and efficiency and reported Kingdom progress, to have been one of the greatest sessions in its history.

We have greatly appreciated and have been helped by the special group conferences for rural, city and town pastors held under the able direction of recognized leaders of our church.

The Conference has been especially favored by the presence of three of our Bishops. We are glad to welcome Bishop H. Lester Smith. The address of Bishop W. F. McDowell was an inspiration to all. We are thankful not only for the presence of our own Bishop Henderson as the presiding officer of this session but for his leadership throughout the year. To him we are largely indebted both for the success of this Conference and the notable Kingdom advance throughout the Area.

The Older Boys' Conference, which we trust has become a permanent part of our annual gathering, was successful not alone in the number of registrations but

also for its spiritual results. We believe many young men have been led thereby to definite Christian service and hope this feature of our Conference will continue.

The various anniversary addresses were unusually able. We especially desire to express our appreciation of the series of sermons by Dr. M. S. Rice.

We are indeed grateful to the people of Adrian for their splendid hospitality. Especially to our Conference Host, the Rev. E. R. Rice, and to his loyal and courteous congregation and the pastors and congregations of the other churches, who have been untiring in their efforts to make our stay pleasant, we extend our heartfelt thanks.

REPORT OF COMMITTEE ON TEMPERANCE, PUBLIC MORALS AND SOCIAL REFORM.

We have waged a long, hard battle against the forces of intemperance. We thank God that we have lived to see the day of victory, when the liquor traffic stands convicted by every tribunal and is now an outlaw in the land. Nevertheless, "eternal vigilance" is still "the price of liberty." Many a battle has been lost after it was won. The weapons of our warfare must not in the way of victory be dropped from our hands. The liquor interests are alert and active. We, therefore, emphasize the imperative necessity for renewed activity and constant viligance on the part of the friends of prohibition in State and Nation in order to resist the efforts of the liquor interests to defeat prohibition, either through the repeal of our prohibition laws, or through their nullification by lax enforcement.

It seems providential that the Board of Temperance, Prohibition and Public Morals of our Church has its headquarters at the Nation's capital, and that it has been able to secure at so nominal a figure the magnificent building site fronting the doors of the Capitol, of which Bishop W. F. McDowell says: "For a generation, and from the Atlantic to the Pacific, there has been no purchase of property of such a strategic character and so full of hope and promise for the Church as the purchase of these lots here at the doors of the Capitol. It is by all odds the most fortunate purchase ever made between the two oceans." The contemplated building on these lots will make our Church visible and multiply its power at this world's center. We concur with the Board of Bishops in their resolution endorsing the building enterprise and urge the largest liberality toward this purpose until the funds required are fully reached.

In cooperation with the Board of Foreign Missions and our Bishops stationed abroad, the Board of Temperance. Prohibition and Public Morals is accepting the greater part of the burden of carrying the gospel of freedom from alcohol and drugs to foreign lands. Enormous quantities of literature have been circulated throughout Europe. The foreign press is carefully watched and false statements are corrected. The Board's work in France is already of large proportion. From Switzerland, as a center, an international effort is being financed by the Board which in a very short time will be a leading factor in breaking the thrall of the liquor traffic in Europe. A representative is being placed in Central Europe and India.

Another man is being financed in Mexico. In South America the work, under the local direction of Rev. Paul Barnhart, in charge of the Board's office in Santiago. Chile, has been so phenomenally successful that Chile seems to be on the verge of prohibition. In the near future the work will be extended to China, Italy and the Phillippines.

We recognize the power and influence of the motion picture upon the life and thought of the people and we earnestly protest against its use for poisoning the public mind by a fascinating display of crime and licentiousness.

We deplore the effort of certain lawless and unchristian elements of our popula-

tion to break down the sanctity of the Christian Sabbath by unnecessary work or business. We will resist with all the power at our command, the forces that would destroy a fundamental part of our birthright by turning our American Christian Sabbath into a day of business, dissipation and commercialized recreation.

We urge hearty support of Legislation which will check the fearful scourge and curse of gambling which, to an increasing degree, is now afflicting the country.

It has been unquestionably demonstrated by the rigid test of science that the use of tobacco, and especially cigarettes, brings serious injuries to the body, mind and morals of our youth, and we pledge ourselves to discourage vigorously this destructive habit and will do our utmost to secure the enactment of laws to suppress its use on the part of minors.

We rejoice in the enfranchisement of womanhood whose vote will help make the operation of good government increasingly popular and effective.

We heartily endorse the International Conference on the limitation of Armament which is to meet in Washington, D. C. on Nov. 11th and believe it to be fraught with immeasurable possibilities for the welfare of mankind.

We further believe that the purpose of the Conference can never be attained without the blessing of God, and that only by His aid and by obedience to his will as revealed by the Prince of Peace, can the world be saved from the folly, waste, horror and sin of war.

We, therefore, earnestly urge that in all our churches Sunday, Nov. 6th be observed as a day of public and private prayer for the success of the Conference on Armament, and that on that day the pastors preach on some phase of the application of Christian principles to the problem of world peace.

We heartily commend the attitude of the Governor of this state, the Hon. Alex J. Groesbeck, relative to the holding of prize fights within our borders, endorsing his efforts to control the same and his express declaration that he will request the next legislature to repeal the present prize fight law. In this we pledge him hearty support. And we respectfully urge that the Boxing Commission be not re-appointed.

We unreservedly re-commit ourselves to the work of the Anti-Saloon League and encourage all our pastors and people to give it their hearty co-operation and support. We would place in nomination the following as Trustees of this organization for the ensuing year: J. G. Haller, Howard A. Field, James W. Price, and D. M. Christian.

We express our confidence in the leadership and activities of our Board of Temperance, Prohibition and Public Morals in the work of reform, and pledge our support to it in its ever widening activities.

(Signed)

GEORGE W. OLMSTEAD. FRANK M. FIELD. H. G. PEARCE. J. G. HALLER. HARTLEY CANSFIELD.

The Board of Stewards again extend the grateful thanks of all interested in the Claimants' welfare to Rev. George Weir, Rev. M. II. Eldred, Mrs. Edwin Foster, Mrs. E. W. Ryan and Mrs. W. W. Will who relinquished their claims for the current year.

The \$300 relinquished by Brother Eldred was allowed as necessitous to Brother Howarth and \$100 of the \$214 relinquished by Mrs. Will was at her request granted to Brother Gabriel Sanderson who has served as one of the most faithful supply pastors in the Detroit Conference. Brother Sanderson also received the \$65 given as a Communion Offering. The gift of \$100 to Mrs. Mary Hammond is by courtesy of Mrs. E. W. Ryan.

The average cash salary of the men in the effective relation in the Detroit Conference for 1919-1920, was \$1,660 making the basis of the retired man's claim \$23 per year of service for 1921-1922 and we were able to distribute \$15 per year of service or about 65 per cent.

We are glad to hear from Claimants at any time and especially when he changes Post office address.

REPORT OF THE BOOK COMMITTEE.

Dear Fathers and Brethren:

0

Methodism has developed many forms of bearing witness to the Truth as it is in Jesus Christ. Our living and fearless Ministry, our Christian Universities, Colleges and Secondary Schools, our Hospitals and Homes, our reform agencies, and our world-wide missionary activities are so constructive as to bring gratification to all our hearts, but in none of our multiform activities can our people take more pleasure than in the published products of the denomination.

The Methodist Book Concern has a surplus or net assets of \$5,608,519.01, an increase over the year 1919 of \$253,313.59.

The net produce for the year was \$420,438.71, a decrease of \$96,846.79, owing to the greatly increased cost of paper and presswork.

In spite of the decrease in produce we are able to announce a dividend of \$275,000.00 for the relief of the necessities of our retired ministers or their dependents.

While we rejoice in our ability to thus bring relief to the retired ministers through whose sacrifice and devotion our great organization has been built up, we remind ourselves that profits are not the aim of The Methodist Book Concern, but the prime purpose, to which these heroic fathers have committed us, is to produce and distribute Christian literature.

This supreme end has been nobly served by our Publishing Agents, our Editors, and our loyal and faithful force of employees.

These ranks have suffered a loss during the past year by the death of our Publishing Agent, resident at New York, Dr. Edwin R. Graham, whose counsel and business ability during sixteen years of devotion contributed no small amount to the marked prosperity of the Book Concern.

We urge all of our Sunday Schools to use our own publications, not through any narrow sectarian motive, but because of the superior quality and skillful adaption of these publications for the work of religious education.

Our Editors are prophetic and penetrating interpreters of Christianity in relation to present day problems. Their message is indispensable to the successful

prosecution of the church-wide programs, such as the Centenary and other forward movements; and their leadership and instruction as they receive the first shock of events, are invaluable in creating Christian public sentiment in this time of confusing and conflicting tongues which hold not God in awe. Our world is now moulten and can be shaped by skilled Christian hand into fairer and more Christian forms. Let us cultivate an intelligent membership by urging the people to read our product of books and periodicals. Salt cannot save unless it is applied. Christian literature is powerless unless it is read. Our presses are turning out enough instruction in righteousness to save every man, woman and child in America, if it should be read and once taken to heart.

It is a special pleasure to commend to the attention of all interested in the supremely important work of week-day religious instruction, The Abingdon Religious Education Texts, a series of pioneer textbooks under the able editorship of Dr. David G. Downey, Book Editor of the Methodist Episcopal Church.

Your Book Committee urges upon every Official Board the adoption of the budget system or some other effective plan by which one or more official Advocates, or other official publications, shall be placed in the home of every member of the Methodist Episcopal Church.

To the young people we commend The Epworth Herald, and to those seeking the profound bases of the Christian belief, both laymen and ministers, we commend The Mcthodist Review. The saddest of words are these: "The people perish for lack of knowledge." Let us all rally to promote our Advocate and other publications and launch an aggressive offensive to beat back and banish the foes of ignorance and crime.

WM. F. CONNER,
Chairman.
J. E. HOLMES,
Secretary, pro tem.

BRONSON METHODIST HOSPITAL.

The Bronson Methodist Hospital presents a report for its first fifteen months, from May 1, 1920 to August 1, 1921. The financial year is changed to begin August 1, in order to have reports as nearly as possible up to the Annual Conference.

During the 15 months there were 2242 patients in the Hospital, 1583 surgical cases, 399 births, 240 medical cases. There have been 20,341 patient days of service. S1 physicians have done work in the Hospital. 117 physicians have referred cases. This shows the estimate physicians place upon the work of our Hospital. Comparative hospital statistics show that our record is among the very best in America.

The Hospital follows the program of the Brooklyn Methodist Hospital, the mother of all American Methodist Hospitals in receiving people of any race, any creed or no creed. There have been people of 21 religious denominations including 25 Roman Catholics and 13 Christian Scientists, and many of no denomination. About 25% have given their preference as Methodist. We work in the spirit of Him who said, "I am among you as He that serveth." No person has been turned away from the Hospital for lack of money. Many who sought admittance have been denied for lack of room. \$25,000 would build an addition, which would care for 1440 patients in a year.

A new Nurses Home, which was greatly needed, has just been bought with a small payment down. We need money to furnish and pay for it. In connection with this purchase we obtained a piece of ground 264 x 66 feet, which joins one of our Nurses Homes. The Hospital needs canned and fresh fruit and vegetables, sheets, pillow cases, all sorts of hospital supplies, a larger hospital, money for maintenance, charity, building, endowment.

The churches are responding finely to this new Michigan Philanthropy. 503

churches have given something towards the support of the Hospital. The Upper Peninsula District ranges sixth in Hospital support among the 13 districts. It has cost about \$900 per month, for running expenses, to care for these 2242 patients besides what has come from patients' fees. Of this \$6,893.43 has been for charity. \$400 per month or \$6,000 has been charged to depreciation. Hospitals are supported by taxes, fees from patients, gifts. Without gifts most hospitals would not exist.

by taxes, fees from patients, gifts. Without gifts most hospitals would not exist.

The real estate holdings now are: On the east side of John St. there is land 192 x 99 ft., on which stands the Hospital Building and the small park where patients are taken in wheel-chairs on pleasant days, and joining this, on the north, is land 33 x 50 ft. on which stands the School Building; on the west side of John Street is land 64 ft. in width, which reaches west 136 ft. then north 264 ft. with another frontage of 66 ft. on Lovell Street. On this are the two Nurses Homes. The land holdings have been nearly doubled within the past two weeks. This gives room for a great future. The net property increase in one year is over \$46,000. A condensed financial report is given.

REPORT OF THE ENDOWMENT FUND COMMISSION TO THE DETROIT ANNUAL CONFERENCE, 1921.

FOR THE FISCAL YEAR FROM SEPT. 1, 1920 TO AUG. 31, 1921.

During the past year the Secretary of the Fund has spoken in its behalf in 63 churches. Resulting from this and other publicity the Fund has been made a beneficiary in several wills, several annuity bonds have been sold, and a number of new gifts secured.

In nearly every church visited the Secretary has conducted a Life-work service, resulting in a total of more than 700 young people entering for the first time the "Three-W" covenant to choose their life-work in the will of God.

The appended financial statements show that the total amount in the permanent Endowment Fund. as of September first, 1921, was \$518,740.08, an increase for the year of \$67,344.08. This increase is largely from the collection of past due subscriptions.

The gross earnings for the twelve months are \$35.966.42. The net earnings available for dividends for Conference Claimants are \$21,270.32, an increase of more than \$5,000.00 over the dividends of last year, accounted for by the increased capital.

We cannot expect like additions henceforth from collections of old pledges, the outstanding obligations of that sort being now reduced to the difficult and the impossible of collection, with some exceptions. A few thousands may yet be realized from this source. Considering the fact that the campaign for these pledges was followed almost immediately by our entrance into the war, and by two years of the deadly "flu," we may feel that the amount actually realized is fairly gratifying.

We regret to report that many of our preachers are seriously delinquent in the payment of the Two-per-cent apportionment imposed by action of the Conference on the basis of cash salaries. Eighteen preachers have paid nothing. More than a hundred are more than two years in arrears inclusive of the year just closing. By Conference action these large arrearages must be paid, or they must be taken out of the annuity claims at retirement, or out of the widow's claim in case of the delinquent's death. This is serious. We would suggest that all in arrears attempt to make payment in small monthly installments until paid up.

The Commission by resolution would recommend that the Two-per-cent rule be repealed by Conference action, until such time as another campaign for the increase of the Fund shall be planned. Provided that all delinquents shall be held liable, exactly as under the existing rule, for all amounts due the Fund up to the Conference session of 1921.

The Commission would also recommend the re-election for two years as members of the Commission, of Brothers A. W. Stalker, and H. A. Field.

CASSIUS E. WAKEFIELD, Executive Secretary.

REPORT OF THE MICHIGAN CHRISTIAN ADVOCATE PUBLISHING COMPANY FOR YEAR ENDING SEPTEMBER 1, 1921.

To the Detroit and Michigan Annual Conferences:

Dear Brethren:

For the second time the Board of Trustees of the Michigan Christian Advocate Publishing Company, through its President and Secretary, renders you an account of its stewardship.

In view of the situation which confronted the Advocate a year ago, and the critical season of business and agricultural depression and non-employment through which the country has been passing, our enterprise is to be congratulated upon the record of the year. We seem to have weathered safely a crucial period, with the

future most hopeful.

Dr. William H. Phelps assumed the editorship October 1, last. With his unswerving loyalty to and love for our great church in Michigan, his versatility and resourcefulness, his original thought and trenchant pen, he has fully maintained the traditions of the Advocate and strengthened its hold upon its constituency. It is safe to say that the paper has never been more generally or enthusiastically

popular with our people than now.

In the matter of circulation a most energetic and unremitting campaign has been carried on through the year, as our pastors can testify. The net result is an increase of 805 in the Advocate circulation, which now stands at 19,147. The Michigan Conference has enlarged its lists from 7,620 to 8,398, a gain of 778. The Detroit Conference has fallen off from 9.844 to 9,799, decrease of 45, but still holds the lead by 1,401. The remaining gain is outside of Michigan. While the net gain is not as large as the editors had hoped for, in view of the efforts put forth, it is by no means discouraging to have held more than our own at such a time. Our pastors generally have loyally co-operated, and many have done exceptionally well. The "Ionia Plan" or similar methods have placed the Advocate in practically every Methodist home at Ionia, Mt. Pleasant, Bengal, Otsego, Lake Odessa, Grand Ledge, Fremont, Elsie and Muskegon Heights, Michigan Conference; Iron Mountain, Mackinaw City, Rose City, Swartz Creek, St. Mark's, Detroit, and Wyandotte, Detroit Conference. Many other churches have also done exceptionally well. We are persuaded that if the Ionia or some such plan could be more widely adopted, it would increase the Advocate circulation immensely. A study of the subscription lists by churches, which the Advocate has lately published, must convince every thoughtful person that in multitudes of our charges a determined effort would double the circulation of the Advocate, while there are few placed where a substantial gain could not be made.

Following is a summary of the financial report for the year ending Sept. 1, 1921:

Besides above we have \$5.347.57 in savings bank, and paper on hand, bills recievable and other resources which bring total available assets to \$10.709.95. It is believed that these and other sources of revenue for the remaining months of the calendar year will take care of the expenses. However, to avoid borrowing temporarily, it will be necessary to gather in all that is possible on subscriptions, both past due and in advance.

At the close of the last Conference sessions the Advocate was faced with enormous prices for the next year's paper supply—double those of the previous year, and more, besides a big increase in printers' bills. Had the extreme cost of paper continued, it would have been impossible to avoid a deficit of \$8,000 to \$10.000. Fortunately for the Advocate prices dropped, gradually, and to such an extent that on a car just ordered the price will be less than on last year's supply.

Another maferial source of revenue has been found in the outside or commercial work done for Detroit printers on our Linotype machine. This for the year, as above reported, has amounted to a considerable sum. The earnings on this work since January 1 have totaled about \$1,000.00 net. So much of this outside patronage has come to us, that the one Linotype was unable to do it all, and in June the Board of Trustees authorized the purchase of another machine, which was installed August 1, at a cost of \$4,500. Our Liberty Bond of \$500 was turned in on this at face value, with other small cash payment. The amount still due on this new equipment is payable in monthly installments which can be readily taken care of by the earnings on outside work, which should also materially increase our revenues. On our printing contract, also, we are assured of a material reduction in charges after October 1.

On the whole, the outlook for the Advocate next conference year is very en-

couraging. It will continue to "carry on," with such advance and improvements as the increased support of our constituency, which we bespeak, will warrant.

Respectfully submitted.
For the Board of Trustees, Michigan Christian Advocate Publishing Co.

THE OLD PEOPLE'S HOME.

The past year has been a useful and favorable one in our Home. Fifty-eight old peaple have shared in its protection and care. Seven of these came to the end of the way since last Conference; the length of life in the Home of these seven varied from a minimum of one year and three months to a maximum of twelve years and three months, the average being six years. The youngest was seventy-six years and ten months, the eldest ninety-four and two months and the average eighty-four and nine months. Five new members have joined the family, and four others have been accepted, but have not yet moved in and twenty-two names remain on our waiting list.

The expenses have been \$19,585, of this \$881 was interest on such parts of our Endowment as are subject to annuity and \$1,766 of the above total was paid as allowances to the members of the family. This is their pocket money. With it they buy any article of clothing they may need, pay their car fare on any visits they may make, buy whatever small things they may wish, contribute to the church and otherwise spend as they please. The largest benefit of these quarterly allowances lies in the fact that they preserve a sense of freedom, independence and self-respect.

The income of the Home covered every dollar of this outgo and a little more. This does not mean that the Home has reached a stage where its revenue meets all its needs and leaves a balance, but it means that the receipts for the definite twelve months ending August 31 last, were ahead of the disbursements and this was attributed, in part, to the good collections brought to the last session of Conference, and in part, to the fact that this year more Churches than usual have already forwarded their collections. September 1, is the time of low tide in our current expense fund; it is invariably overdrawn at that date; a year ago the overdraft was about \$3,000.00 but this year it is less than \$1,500. Over one-third of the income was interest on our investments, about one-third the gifts of individuals and the collections of Churches and a little less than one-third was from admission fund. The total receipts were \$21,176.

The Security and stability of the Home lie somewhat in the size of the endowment and somewhat also in the working of plans for its constant increase. Our financial system insures an inevitable, although only a gradual increase of this fund. The additions during the year were \$4,768 and it now amounts to \$78,079.

We would suggest the reelection of the following six trustees for a term of three years: Horace T. Dennis, B. D. York, D. H. Glass, C. B. Allen, J. E. Jacklin and Reuben E. Crosby.

(Signed)

H. T. DENNIS, President.

B. D. YORK, Treasurer.

J. E. JACKLIN, Executive Secretary.

PART VII.—PLAN OF CONFERENCE COURSES OF STUDY.

The attention of all students is directed to the Conference Resolution under the heading, "Summer School of Theology," in Part V-A, Monday afternoon, September 19th, in this issue of the Minutes.

(A) UNDERGRADUATE COURSES.

(1) INSTRUCTORS.

(a) Within fifteen days after the close of each Annual Conference each Instructor shall be furnished by the Registrar of his Board of Examiners with the names and addresses of all students in each subject for which such Instructor is responsible. The subjects in which names shall be furnished shall include collateral reading, written sermon, and special homiletical work as well as studies for examination.

(b) Each instructor shall pursue diligently, and with regularity and promptness, the correspondence method in the conduct of "required written work." To this end the Instructor shall divide the required written work in each book or subject into from four to eight approximately equal parts as the subject may require. These assignments of work shall be sent to the students all at once before October 15th, or one, each month before the middle of the month, beginning with October and continuing until all assignments have been sent. Each Instructor shall return promptly to the student each installment of written work, when postage is enclosed, giving criticisms, corrections and suggestions.

(c) Each Instructor shall forward all grades on "required written work" to the Registrar of the Undergraduate School of Theology at Albion in time for the opening day of said school. Such report shall include also the status of the written work of students whose work is incomplete or entirely delinquent. Written work received after the conclusion of the Summer School of Theology shall be reported to the Registrar of the Board of Examiners as early as possible and not later than the opening day of Conference.

(d) Each Instructor shall, unless excused by the Chairman for unavoidable reasons, be present at the seat of the Annual Conference on the day set for Conference Examinations, and shall conduct the examinations in his own subjects. He shall also meet for counsel the classes of the ensuing year in each subject for which he is responsible. The schedule of examination and of periods for counsel shall be arranged by the Chairman and Registrar.

• (e) Each member of the Board of Examiners shall, unless excused by the Summer School Senate, serve as Instructor on the Undergraduate Summer School Faculty two years out of the Quadrennium, and preferably two consecutive years, the years of such service to be arranged by the Summer School Senate or a committee appointed by such Senate.

(2) STUDENTS.

(a) Students will find necessary information on many points in the chapter on Courses of Study in the Discipline of 1920, although the books studied are the new course and not the books given in the Discipline.

(b) Each student shall prepare and send in his "required written work" as indicated by his respective Instructors. Written work in all subjects requiring

examination must be completed before the opening of the Summer School. Promptness in submitting required written work will count to the students credit to such extent as the Instructor may deem fair and just. If for any reason the Instructor fails to get the requirements in written work, or any part of the same, to the student within four weeks after due, as per section (b) under the head of "Instructors," the student shall prepare such required written work or part thereof as outlined in "Directions and Helps." It is expected by the Board that the required written work in the studies for examination, the collateral books, and the special homiletics be carried on simultaneously.

(c) Every student, unless excused as hereafter provided, is required to be at the Undergraduate Summer School of Theology at Albion each year during his Course of Study. Excuse for non-attendance shall require the concurrent action of the Dean of the School and of the Chairman of the Board of Examiners. This shall be understood to apply to all Undergraduates including those who are students of college or Theology Seminary. In case of necessary absence from the Summer School, the Instructor shall endeavor as best he can to make up to the student his loss by assigning extra work, giving additional examination, or both. Each student attending the Summer School shall receive his equitable share of the funds provided by the Conference for the support of the school, distribution being on the basis provided for by the Summer School Senate.

(d) Examination of all students shall be as follows. Examinations in all studies shall be taken only at the close of the Summer School of Theology, and on the day before Conference convenes. Each student attending the Summer School shall be examined by his Instructors on the School Faculty rather than by the Board of Examiners. Such Instructors may allow oral examination or recitations to supplement written examinations, but these shall not be substituted for "required written work." Written or final examinations cannot be taken in any study until all the "required written work" in such study has been completed and is in the hands of the regular Examiner or Summer School Instructor. All "required Written work" shall be graded by the Examiner and not by the Summer School Instructor.

(e) The student's final grade in any subject requiring examination, whether taken at the Summer School or at Conference, shall be arrived at as follows. The "required written work" will be graded on the basis of 100% as will also the examinations. For those not at the Summer School, extra tasks shall for the purposes of grading be regarded as "required written work," and additional examination shall be averaged with the regular examination. The average of the marks on "required written work" and on examinations will be the final passing mark, providing such average is at least 70% and that neither is below 65%. The students grade on all collateral subjects will be on the basis of 100%, the minimum passing mark being 70%.

(f) Each student shall pay annually, at the time of the Summer School of Theology, a fee of \$2.50, said fee to be divided on the basis of \$2.00 for the Summer School and 50 cents for the Board of Examiners. Absence from the Summer School does not excuse any student from paying the entire fee unless excused from studies by vote of the Conference.

(g) The work as offered at the Summer School in studies of the Admission Year shall be open, without financial aid, to supplies and other persons desiring to take the same who do not expect to enter Conference. Written recommendation of the District Superintendent shall be the condition of enrollment in all such cases. Local preachers desiring to take the Local Preacher's course should consult the Chairman of the Board of Examiners concerning such course, and the possibility of substituting for at least a part of the same work offered in the Summer School. All persons taking Admission Studies in the Summer School who are to join the Conference at its next session, and all Local Preachers having charges who are taking work leading to ordination, shall share in the Conference financial aid on the same basis as Conference men.

(h) All substitutions desired by the student for work done in an educational institution or elsewhere shall be determined upon by the Board of Examiners, or by the Faculty of the Summer School in committee or as a whole, when either are in session. When neither Examiners nor Summer School are in session, full power in the matter of substitutions requiring prompt decision shall be vested in a standing committee, consisting of the Chairman and Registrar of the Board, the Dean of the School, and such Examiners as are responsible for the studies in which substitutions are proposed. No credits shall be accepted from any source unless signed by the official head or registrar of the institution in which the work has been done.

(3) ASSIGNMENT OF STUDIES.

(Note: The studies as given below are arranged by Departments. The year in which each comes in place of parenthesis in front of the study. Collateral work, that is studies in which written work only and not examination is required, is indicated by the letter (c) placed in parenthesis in front of the study. The use of "Directions and Helps" for each year of Conference studies is required, including special Homiletical work as therein indicated.)

REV. WILLIAM TUTTLE.

William Tuttle was born in Niagara County, New York, December 12, 1828. He came to Michigan when fifteen years old and settled near Detroit. His twenty-first year found him a student in Albion College. Converted in Western Michigan in 1848, he became a missionary and teacher to the Indians in Southwestern Michigan. In 1856 Brother Tuttle married Ellen Butterfield, of Willow Creek. In a year or two experiencing ill-health, he located and removed to Minnesota and later to Iowa where he often filled appointments. In 1870 he returned to Michigan and united with the Detroit Conference. He served at Burton, Swan Creek, Lakeville, Troy, Henrietta and the Indian Mission at Sterling. In 1880 he was appointed to Whitmore Lake and after one year

there superannuated. He was then employed by the American Bible Society for about five years. In 1903 he went to Oklahoma and died at Norman, April 18th, 1921, in the ninety-third year of his age.

In a personal word to the writer, Brother Tuttle's daughter, Mrs. Mary Tuttle House, wife of Professor R. T. House, of the University of Oklahoma, and with whom he spent his last years, says: His life was one of utter devotion to God, his Church and his family. His great effort to the very last was to be about his Master's business." The little children loved him. When told that Grandpa Tuttle had gone to Heaven, a little friend, three years old, inquired, Did Jesus call him? Her mother replied, Yes. And did Grandpa say, Yes, Jesus, I am coming, she asked again. Mrs. House remarks, he indeed in spirit said, Yes Lord I am coming gladly. While repeating aloud with his daughter the Lord's prayer he was not for God had taken him. He was highly esteemed by a large circle of friends for his genial disposition and sterling character. He was laid to rest in Greenwood Cemetery, Weatherford, Oklahoma. Besides Mrs. House he is survived by two sons, Dr. Lynn J. Tuttle and Mr. Ed. Tuttle.-George B. Marsh.

REV. ELMER E. McMICHAEL.

The Detroit Conference lost a devoted and faithful member in the person of Elmer E. McMichael, who answered the call, "Come up higher," Sunday night, May 1, 1920, at Whittemore.

Brother McMichael was born in Ohio May 17, 1878, of farmer parentage. They moved to Michigan when he was three years of age, locating near Indian River on the shore of beautiful Burt Lake. Here in a pioneer environment the family was raised.

Twenty-one years ago our brother was married to Miss Emma Eldred of Fremont, Mich. Seven children were born of this union, three of whom died in infancy. The four now living are: Mrs. (Rev.) Violet King of Applegate, Mich.; Florence, Frank and baby Eveline, who are with their mother. Besides these near relatives, our brother leaves a mother, two brothers and two sisters.

Eleven years ago Brother and Sister McMichael were called to the ministry. The Riggsville circuit was their first appointment. Pickford Circuit, Wilson and Spratt, Tawas City and Wilbur, and Whittemore and Prescott were the other appointments in order. On all of these fields, there are many who witness to the faithfulness of this pastor and his wife, who, through their ministry, were led to the Savior.

Funeral services were held in the parsonage at Whittemore on Tuesday morning, after which the body was taken to the old home for burial.

Brother McMichael was a consistent Christian man, a laborious servant of the Lord, an evangelistic preacher with a true passion in his message.

a great lover of home and family, and one whose friendship was a valued asset.

REV. RICHARD HANCOCK.

Rev. Richard Hancock died at the Chelsea Home, May 7, 1921, aged almost seventy-seven. He was born on June 17, 1844, in St. Clair, Cornwall, England; was never married; became a probationer in the Detroit Conference in 1888, gave twenty devoted years to pastoral labor in the Lake Superior region, serving the churches at Central Mine, Michigamme, Salisbury, Grand Marais, Crystal Falls, Franklin Mine, Centennial, Jesseville and Princeton. On account of increasing deafness and infirm health he asked to be placed on the "retired" list in 1908.

In the following January he took his place, as one of the family, in our Old People's Home and for some years he served as chaplain, preaching on Sundays and leading the weekly prayer meeting. During the twelve years of his life in the Home he never had any misunderstanding with any one there; never complained of any person or anything in the Home and no employe or member of the Home ever was offended by him. He bore himself as a courteous Christian gentleman, which he was.

REV. L. L. HOUGHTON.

Levi L. Houghton was born in Victor, N. Y., October 12th, 1837. He was married to Elsie J. Shipman, October 28th 1857. Five children were born to this marriage; two are living, Mr. Spencer Houghton, of Detroit, and Mrs. John Crawford, of Birmingham. His second marriage was to Susie L. Burnett, Nov. 7th, 1872. Mrs. James Cobb, of Birmingham, and Mrs. Claude Campbell, of Detroit, were the children of this marriage. Later he choose as the wedded companion of his later days Mrs. Laura Pearsall, who died two and a half years ago.

Brother Houghton began his ministry as a local preacher. He took his first charge as an ordained minister of the Detroit Conference in 1862, at Hazelton, Michigan. Other charges were: Midland City, North Branch, Troy, Iosco, Pinckney, Webberville, Redford and Warren. Brother Houghton was a builder; everywhere he went he repaired or built church property. Notably at Big Beaver and Midland he built new churches. But he was not only a church builder, he was a revivalist as well. On all his charges there were conversions, and in places very wonderful spiritual awakenings.

After his retirement his interest continued in church affairs. Up to the very last he was loyal in attendance at the Birmingham church, and was a liberal supporter of all its enterprises. Had he lived until October, he would have reached four score and four years. He died at the home of his son-in-law, Mr. John Crawford, in Birmingham, Sunday evening, May 29th, 1921.

The funeral service was held in the Birmingham Methodist church June 1st, in charge of Rev. Joseph Dutton, the pastor; Rev. C. M. Thompson, by request of the deceased, preached the sermon.

Brother Houghton was a kind husband and father, a loyal Methodist, a successful pastor and soul winner, a true servant of Jesus Christ, and a highly respected citizen. The text of the sermon at his funeral service, "I have kept the faith," was an epitome of his long useful and Godly life.—C. M. Thompson.

REV. MIRAM WENTWORTH GIFFORD.

Miram Wentworth Gifford, was born June 3rd, 1851, on a farm near New Castle, Ont., not far from Toronto, the son of Jerome and Amanda Gifford. His grand-parents, all of colonial and revolutionary stock, following the trend of the pioneer, had moved westward from Vermont and Massachusetts in the early part of the 19th century. When thirteen years old his father took the family still further West to a farm on the shores of Lake Huron twenty miles from Sarnia.

Following the Crimean War, Canada felt the pinch of hard times. Miram then thirteen was farmed out to a neighbor, and from that time on he seldom got a chance to attend school. Undaunted, however, by the necessity of earning his own living, he determined to have an education. Cutting four cords of wood for a neighbor at twenty-five cents per cord netted him a dollar, and he walked down the lake shore to Sarnia—twenty miles—and bought a copy of Reid's Dictionary, which is still in his library. 'Proud as a millionaire," he used to say, he hoofed it home again with the dictionary under his arm; and from then on his job of earning a living was much mixed up with reading and hard study and thumbing the dictionary.

Speaking at a meeting he attracted the attention of Rev. Mr. Benson, then Presiding Elder at Palmyra. He was induced to enter the ministry of the Methodist Church at once without a college education. For several years he worked in missionary fields and was scantily paid. From 1873 to 1874 he was stationed at Beverly, Ont., west of Hamilton. While pastor of that charge he met Elizabeth Rebina Echlin, and was married in November, 1874. He continued his work in mission fields. Realizing his need of a college education he plunged into a course of heavy study.

In the meantime he served nine different charges in Canada, doing some church building, and taking an active part in the initial movement which lead to the union of Methodist churches in Canada.

Coming to Michigan some thirty odd years ago he joined the Detroit Conference of the Methodist Episcopal Church. Continuing his studies, he earned his doctor of philosophy degree from Harrimon, Tenn., and his master's degree from Albion.

He served nine charges in the Detroit Conference: South Lyon, Plymouth, Orion, Caro, Howell, St. Clair, Cass City, Romeo and Milan.

Though he loved his work on every appointment and was proud of his results in every field, his most successful term was perhaps at Caro, where he conducted sweeping revivals and promoted and built a fine church edifice, which after twenty-five years is still an ornament to the city and a pride of the society there.

In the midst of his pastoral service he found time to do considerable writing. In 1881 he wrote and published "Baptism in a Nut Shell;" in 1891 "Laws of the Soul," or "Science of Religion and Future Life;" and in 1899, "Christian Science Against Itself."

Taking the retired relation in 1908, he removed to Lansing where he was active in the organization of the Michigan Avenue Methodist Episcopal Church, and for a time supplied the pulpit of that society.

Dying at Lansing Thursday, June 23rd, 1921, he is survived by Mrs. Gifford, always a true help-mate and five children: Frank E. and Ida A., Toledo, Robert D., Eaton Rapids, W. Arthur, Lansing, and Roy W., Toronto. The funeral at his residence was honored by a crowd of sympathizing friends, Rev. Dr. Willitts and five other preachers of the city being present. He had arranged that D. H. Yokum, of Detroit, should deliver his funeral address. Rev. J. D. Hubbell, an old friend, was also present. He had six preachers for his pallbrearers.—W. Arthur Gifford.

REV. JAMES D. HALLIDAY.

James D. Halliday was born in Brownsville, Ont., September 4, 1851 and passed to his reward in Clio, Mich., Sept. 13, 1921. He came with other members of the family to Clarkston, Mich. when seventeen years old. Two years after they moved to Genesee Co., purchasing a farm in Vienna township, near Clio.

In early life he was converted during the ministry of Rev. John Hamilton, at Mt. Morris. He was soon given license to preach and exercised his gifts by holding meetings in various school houses in the county. Such was his success that he was invited to occupy the pulpit of the Congregational church in Clio. After a few years service he applied for admission, to the Detroit conference and was received on probation by Bishop Peck at Detroit in 1882. Became a full member at the session in Pontiac in 1885 by Bishop Warren.

His appointments were at Linden, with five preaching places where he served three years. Vernon, one year, when his health becoming impaired he asked to go to the Upper Peninsula. Served Hancock, L'Anse, Indian Mission, Vernon, second term, Holly, Flushing, Fenton, Hudson, Clinton. After four years there the conference gave him a retired relation in 1910.

He returned to the old farm which he had inherited, to spend his declining years among his intimate friends who called him "Jimmie." A few months previous to his decease he moved to Clio.

He was united in marriage to Miss Alcina Colton by J. B. Goss at Mt. Morris, July 9, 1877. This faithful companion remains after sharing with him the labors of twenty-seven years in active service.

Seven children were given them. Edith, a young lady of most beautiful Christian character, went over to await his coming to the better home December 27, 1911. Six remain to miss a noble Christ-like father. Rev. Ernest, pastor of a church in Brooklyn, N. Y., Rev. James F., pastor of a church in Binghamton, N. Y., Mrs. J. Fleming of St. Louis, Mo., Mrs. Dr. Probert of Flint, and Miss Frances, assistant principal of Dort High School, Flint.

Funeral services were held in the Methodist Episcopal Church at Clio Sept. 13, in charge of pastor A. T. Camburn who gave appropriate address. P. B. Hoyt of Flint offered prayer; Rev. Dibley of the Methodist Protestant church read the scripture. Revs. Schofield and Keene paid tribute to the ministry of our brother.

The writer being intimately acquainted with brother Halliday from his early manhood endorses this testimony of a worthy son to his honored father.

"A loving and inspiring husband and father, a worthy and laborious disciple of Christ, a splendid Christian gentleman, whose efforts were ever directed toward the elevation of mankind, has laid aside the mantle of mortality forever. But his memory will live, not only in the hearts of his family, but in the hearts of his friends and those whom, in various situations, he has inspired to nobler lives in kinship with the Infinite."

Beyond all earthly wealth is the honor of having children pay such a tribute to a parent.

Joel B. Goss.

MRS. HENRY W. HICKS.

Mrs. Ellen A. Hicks, who died June 7, 1920, was born near Ravenna, Ohio, in 1838. She early came to Michigan with her father, who settled near Owosso. Here she divided her time between keeping house for her father, attending and teaching school, until she married the late Rev. H. W. Hicks. Brother Hicks was at that time a minister in the Methodist Protestant church but later of the Methodist Episcopal church.

From her marriage until the death of her husband in 1912, Mrs. Hicks gave herself whole-heartedly to meeting the numerous demands made upon a minister's wife, always showing herself a staunch champion of whatever made for the spread of righteousness. Always an ardent prohibitionist, she was wont to say that she was interested in woman suffrage only be-

cause it would enable her to vote against the liquor traffic, and she lived to cast her first and last vote to uphold Michigan's prohibition law.

From 1898 to 1901 she lived in Dexter, where her husband was pastor of the Methodist church. She is survived by one son, four grandchildren and one great-grandchild. Soon after the death of her husband, Mrs. Hicks became again a resident of Dexter.

Funeral services were held in the Methodist church, conducted by the pastor, Rev. W. E. Brown, and the remains were taken to Pinckney for interment beside her husband.

MRS. J. R. CORDON.

Mrs. Mary M. Cordon was born near Belfast, Ireland, of English parents, Feb. 18, 1838. She came with her parents to America when she was ten years of age. Her father was a local preacher in Ireland and continued to preach in this country. The family settled in Detroit.

Mrs. Cordon did not remember a time when she began a Christian life. She grew up in Christ.

When eighteen she went to the Soo and taught in the Government Indian School and then to Mt. Pleasant Indian School, where she was married to Rev. J. R. Cordon, a member of the Detroit annual conference.

Of their five children, three remain, J. R. Cordon and Mrs. W. B. Homer of Detroit, and Mrs. Rev. C. M. Merrill of Escanaba.

Rev. J. R. Cordon died in 1876 while pastor at Clarkston, leaving Mrs. Cordon with a family of small children to support, but she always found time for the work of the church, and that was her chief delight to the end. She was interested and efficient in the missionary societies. One of her last efforts was for the organization of an auxiliary of the Woman's Foreign Missionary Society in the local church.

The annual conference always found her in attendance and there was no more eager and attentive listener than she. The last conference was the best.

She was stricken with appoplexy Oct. 21 and had a second and third attack Oct. 28, going home Oct. 29, 1920. After a brief service at the home in Escanaba she was taken to Detroit for burial. The funeral was held at Preston church Nov. 1, Revs. C. M. Thompson and Peter Stair speaking words of love and triumph. Mrs. Bishop Henderson sang two beautiful selections. She was laid at rest in Elmwood cemetery by the side of her husband and children who had preceded her to the Heavenly home.

MRS, JOSEPH FRAZER.

Mrs. Joseph Frazer, widow of a well-known member of Detroit Conference who died five years ago, passed to her reward from Flint Nov. 20,

1920, aged 75. Her maiden name was Helen A. Gilfillan. At an early age she joined the Methodist Church. At 23 she was married to Joseph Frazer, then pastor at South Lyon. To this union seven children were born, three dying in infancy. As mother and pastor's wife her life was one of loving sacrificial devotion and faithful service, and her sweet Christian spirit won her the esteem of all privileged to know her. The four children who survive to miss her welcome presence are Elsie G. and George E., of Flint; Marian F. Lynch, of Fairburg, Neb., and Claude C., of Detroit.

A beautiful and impressive service was held at the home of her son, at Flint, conducted by Rev. D. H. Glass, pastor of Garland Street Church, of which she was a member for many years, assisted by an old-time friend, Rev. J. B. Goss, and by District Superintendent E. D. Dimond.

MRS. JAMES W. FENN.

Mrs. James W. Fenn, widow of the late Rev. James W. Fenn, of the Detroit Conference, died Sunday evening, July 24, 1921, at the home of her daughter, Caroline Fenn-Bigelow, in Cass City, Mich. Mrs. Fenn was born in Stafford, Conn., June 5, 1838. Her father was a member of the Massachusetts legislature and editor of the Springfield Republican. She was educated in the Springfield schools and taught for some time. In 1867 she became the wife of James W. Fenn, on his return from three years' service in the Union Army. He entered the Methodist Episcopal ministry, and served several churches in Massachusetts before coming to Detroit Conference.

Mrs. Fenn had fine literary tastes and accomplishments. In the time of her mental vigor, she was a regular contributor to the Youth's Companion, illustrating her own stories with pen drawings, and her poems have found place in The Independent, The Atlantic Monthly, The Hartford Daily Courant and many church periodicals.

Simple funeral services were held at the home of her daughter, Mrs. Caroline Fenn-Bigelow, on Wednesday, July 27, conducted by her pastor, Rev. Wm. Richards.
